Hi, Blair. This is a fine question. It relates to oversight of a bond measure should we be able to pass it in November. So for now, it's a concept to give citizen review of how the bond measure funds would be expended, should they be approved on a November ballot. More info as that shapes up, and we welcome your interest!

CM,

Is there any insight yet on which 7 people will be a part of the public oversight committee for homelessness

policy/intergovernmental relations? (Item 24) What are the conditions or expertise requirements for this committee or has it already been selected?

Appreciate any input you have.

Thanks,

**Blair Besten**
